

BOOK PROPOSAL AUTHOR'S QUESTIONNAIRE

- 1. Please provide a description of the aims and scope of your book, together with a draft outline of the contents and any chapters available.**
- 2. Please give an approximate number of words and manuscript pages, and the number and type of illustrations to be included.**
- 3. What type and level of reader could use your book for reference or study? Please indicate all interdisciplinary areas of related interest, and the names (and approximate membership) of relevant professional societies.**
- 4. Are there any government agencies, institutions or other bodies that might be interested in sponsoring the work and/or placing a bulk order?**
- 5. Is your book particularly suited to any upper-level courses, or are there courses for which it might be suited as a text, supplementary text or reference book?**
- 6. If any chapters of your book are of special importance, please indicate which these are and why.**
- 7. Please list any books that might be considered competitive and explain how yours differs from them.**
- 8. Please give the names and full addresses of three leading world specialists in the field covered by your book.**
- 9. Please provide details of your academic and professional qualifications and list your previous publications.**
- 10. Would you be willing to prepare your manuscript as camera-ready copy and on disk?**
- 11. Please give an approximate completion date for your manuscript.**
- 12. Please provide a full mailing address, telephone/fax numbers and e-mail address.**

**Please send a copy of your proposal, preferably by email, to
Dan Morgan (Editorial Assistant) d.morgan@elsevier.com, Elsevier Ltd, The
Boulevard, Langford Lane, Kidlington, Oxford OX5 1GB, UK.**

Many thanks
