## Cosmic microwave background

George Smoot <sup>a\*</sup>

<sup>a</sup>University of California, Berkeley, USA

This contribution was not received by the Editors in such a way as to be included into the Proceedings.

As a possible source of information on contributions, the transparencies shown during TAUP 99 may be consulted on the World Wide Web, where they will be kept for some time. The relevant URL is that of the TAUP 99 Conference:

<http://taup99.in2p3.fr/TAUP99/>

This does not apply to the posters, which have not been transferred on the Web.
