

Applied Catalysis A: General & Applied Catalysis B: Environmental Calendar of Forthcoming Events

12-16 May 2008
Houston, Texas, U.S.A.

Short Course – Applications of Heterogeneous Catalysis

Web-site: <http://www.chee.uh.edu/course/catalysis/>
Contact: Professor James T. Richardson, Chemical and Biomolecular Engineering, University of Houston
E-mail: jtr@uh.edu

20-22 July 2008
Daejeon, Korea

1st Combinatorial Catalysis Symposium

Chariman: Seong Ihl Woo, KAIST
For further information, contact: jmsohn@chonbuk.ac.kr
Website: <http://www.iccs2008.org>

23–27 August 2008
Varna, Bulgaria

10th International Symposium on Heterogeneous Catalysis

Contact: Prof. L. Petrov, Institute of Catalysis, Bulgarian Academy of Sciences, 1113 Soifa, Bulgaria
Tel: + 359 297 93555
Fax: + 359 297 12967
E-mail: petrov@ic.bas.bg
Website: www.ic.bas.bg

31 August–3 September 2008
Queen's University, Belfast

The 5th International Conference on Environment Catalysis ICEC-5

Further details to follow. Contact: r.burch@qub.ac.uk

29 September–3 October
Oléron Island, France

2nd International Conference of Electrochemical Promotion of Catalysis and its Applications (EPOCAP)

Contact: Anne Giroir-Fendler, anne.giroir-fendler@ircelyon.univ-lyon1.fr
Tel: + 33 4 72 43 15 86
Fax: + 33 4 72 43 15 86
Further details: www.efepoc.com

5–10 July 2009
Lille, France

6th World Congress on Oxidation Catalysis

Chairs: Prof. Elisabeth Bordes-Richard (France) and Prof. Patricio Ruiz (Belgium)
Vice-Chairs: Edmond Payen (France) and Prof. Eric Gaigneaux (Belgium)
Secretary: Dr Axel Löffberg (France)
Contact: Axel.Lofberg@univ-lille1.fr - Website: www.6wcoc.org

Announcements are included free of charge at the discretion of the editor. Information on planned events should be sent well in advance (preferably 6 months or more) to Applied Catalysis A: General, Journal Management, e-mail: apcata@elsevier.com and Applied Catalysis B: Environmental, Journal Management, e-mail: apcatb@elsevier.com.
