

THE JOURNAL OF ARTHROPLASTY

AUTHORS' GUIDELINES FOR AAHKS SUPPLEMENT

Manuscript Submissions VIA THE JOA EES SITE ONLY: www.ees.elsevier.com/joa

DEADLINE FOR SUBMISSIONS: SEPTEMBER 15, 2007.

Manuscript Submission Instructions:

1. Go to the JOA EES site at: <http://www.ees.elsevier.com/joa>
2. If you have not previously submitted an article via the JOA EES site, click on the 'Register' Link and enter the required information (name, e-mail address, etc.)
3. Login as an author with the username/password which is provided by e-mail to you and access the Author Main Menu
4. Click on the 'Submit New Manuscript' link and access the manuscript submission process
5. Enter data as requested by the system; Article Title, Article Type (AAHKS Article), Authors, Session, Classifications (the 'Classifications' step helps Editors choose reviewers during the JOA review process)
6. Upload the relevant files which are outlined below in the 'Manuscript Submission Requirements' section, e.g. manuscript, figures, etc.
7. EES then builds a PDF of the uploaded files
8. Then view and approve the PDF that is generated by EES for submission to the journal
9. The submission process is then completed and the manuscript and data is sent to the JOA Editorial Office.
10. The author then receives a confirmation e-mail.

Manuscript Submission Requirements

ARTICLE TYPE: AAHKS ARTICLE (Very Important)

****Please note in your cover letter the name of the supplement/meeting for which the paper is being submitted..**

Also note IRB Approval.

1. Full Title Page required (example enclosed).
 - a. MAXimum of SIX (6) AUTHORS per paper.
2. **Abstract page should NOT EXCEED 125 words** (we give leeway up, but not beyond, 150 words).
3. Blinded Title Page (Title Only).
4. Text should be a maximum of ten (10) double-spaced, typewritten pages.
5. Illustrations (figures and tables) are limited to a total of four (4). Each Figure must be numbered.
 - a. A Figure Legend page should be included (example enclosed).
6. References should not exceed two (2) typewritten pages (double spacing between references).
7. Manuscripts describing research involving human subjects must have **Institutional Review Board (IRB) approval** prior to any review process (**US submissions only**). **Please note the approval in the cover letter or on a separate piece of paper. If IRB approval was not necessary, please explain in the cover letter.**
8. Manuscript PAGES and LINES TO BE NUMBERED. The reviewers need page and line numbers to refer to when they comment on the manuscript.

TO DISPLAY LINE NUMBERS

- A. Start Word. Place cursor on the first word of the first line of the manuscript.
 - B. On the FILE menu, click PAGE SETUP.
 - C...In the PAGE SETUP dialog box, click the LAYOUT tab, and then click LINE NUMBERS.
 - D... Select the ADD LINE NUMBERING check box. Toward the bottom of that screen select CONTINUOUS.
 - E...Click OK and then click OK again. Line numbers are displayed on the left side of the document.
9. JOA *Conflict of Interest Statement* is required. (examples enclosed).
 10. JOA BLINDED *Conflict of Interest Statement* is required (no names on this form)
 11. For additional guidelines, please refer to *The Journal of Arthroplasty's* "Instructions to Authors" available in hard copy in every JOA issue or on line at www.arthroplastyjournal.org.
 - 12 **Call E-Submissions Support for Technical help:** 1-888-834-7287, available almost 24/7.
Other questions e-mail Rosalie Richman, Editorial Manager of *The Journal of Arthroplasty*:
rosalie.richman@rothmaninstitute.com, or call 843-837-2656.
