

Call for submission of manuscripts for the Special Issue of *Bioresource Technology* on 'Lignocellulosic Bioethanol'

In view of the significant global interest on 2nd generation biofuels, BITE has decided to bring out a special issue, especially focused on lignocellulosic bioethanol, which would contain articles from the peers and experts on different aspects of the subject matter. Contributor papers will also be considered.

Authors willing to submit any review manuscript for consideration in this special issue should first consult Prof Ashok Pandey by email pandey@niist.res.in by sending the abstract and an outline of their article. Research articles can be submitted in EES directly (select Biofuel special issue). Manuscripts can be submitted online in EES during June 1 to August 31, 2009 for this special issue. All the manuscript will be peer-reviewed as per standard norms of the journal.
