

2009 Nobel Prize Winners

The publisher and editor of the *Journal of Economic Behavior and Organization* are pleased to congratulate both **Oliver E. Williamson** and **Elinor Ostrom** for their receipt of the 2009 Sveriges Riksbank Prize in Economic Science in Memory of Alfred Nobel. Professor Williamson authored the first paper ever published in this journal in 1980 and has served on our editorial board since the founding of the journal, since 2002 as an honorary editor. Professor Ostrom was the subject of a special issue in our journal honoring her work in 2005, and she has also published in the journal. We honor them both and wish them all the best in having received this well-deserved prize.
