

## ***Surgical Oncology: Author Form***

*Surgical Oncology* will consider manuscripts which are prepared according to the guidelines adopted by the International Committee of Medical Journal Editors (“Uniform requirements for manuscripts submitted to biomedical journals”). For more information please visit [www.icmje.org](http://www.icmje.org).

Submission of an article implies that the work described has not been published previously (except in the form of an abstract or as part of a published lecture or academic thesis), that it is not under consideration for publication elsewhere, that its publication is approved by all authors and tacitly or explicitly by the responsible authorities where the work was carried out, and that, if accepted, it will not be published elsewhere in the same form, in English or in any other language, without the written consent of the Publisher.

Authors are required to identify the contribution(s) for which they are responsible.
