

## Reference Guide

## What's changed in Elsevier's policies?

Version of article	Old Policy	New Policy
Immediate sharing of preprints	✓	✓
Self-archiving accepted manuscripts on a personal website or blog	✓	✓
Institutional repositories can immediately ingest accepted manuscripts	★ ✓	✓
Institutional repositories can immediately make manuscripts publicly available	★ ✗	✗
Institutions can use accepted manuscripts for internal purposes and private sharing	✓	✓
Self-archiving accepted manuscripts in a subject repository after embargo	✗	✓
Self-archiving accepted manuscripts on a commercial social sharing platform	✗	✓

**KEY** ✓ Yes   ★ Yes, but only if posted voluntarily   ✓ Where we have an agreement in place   ✗ No

We are also developing a range of services to make it easier for authors to access their accepted manuscripts, and for repositories to ingest metadata, smart links, and entitlement info for content
