

**IP&MC2022** integrates the conference & journal publishing processes, offering researchers the advantages of conference feedback and journal dissemination in a single seamless stream!

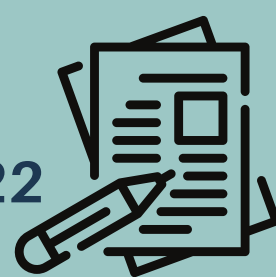

## HERE'S THE PROCESS

### 1 Call for conference tracks

Submissions for IP&MC Tracks Proposal. **Deadline: 15 December 2021**. Tracks will also be special issues in IP&M (same format for proposal). Rolling reviews!  
Format for track proposals: [www.journals.elsevier.com/information-processing-and-management/policies/guidelines-for-specialissues](http://www.journals.elsevier.com/information-processing-and-management/policies/guidelines-for-specialissues)

### 2 Submissions open!

**Deadline for submissions: 15 June 2022** but earlier welcome! Rolling reviews!  
Submissions open: 1 January 2022. For IP&M processing time, see: [https://journalinsights.elsevier.com/journals/0306-4573/review\\_speed](https://journalinsights.elsevier.com/journals/0306-4573/review_speed)

### 3 Author notification!

31 July 2022 or before!  
Format - 'submit as you' like but templates at: <https://www.journals.elsevier.com/information-processing-and-management/policies/author-templates>

### 4 Registration deadlines

Early Bird Registration: 1 September 2022  
Opportunities for workshops, panels, and more!

### 5 IP&M Conference 2022

20-23 October - IP&M Conference 2022  
at lovely Xiamen, China! 😊  
Get feedback to improve your paper for IP&M!  
Proceedings publication as an option

### 6 Revise manuscripts

Authors incorporate conference feedback into a revision for publication in IP&M!

### 7 Article published!

IP&MC articles will receive premium handling at IP&M, resulting in rapid publication

**Check out the IP&MC2022 website for more!**
