

## Oral Programme

### Tuesday, 18 June 2019

15:00-18:00 Conference registration

18:00-19:00 Welcome Reception

### Wednesday, 19 June 2019

08:30-09:00 Conference registration

08:30-08:40 Symposium welcome

08:40-10:20 *Session chair to be announced*

08:40-9:30 [INV01] Selective Catalytic Functionalization Reactions

**John Hartwig**, Berkeley College of Chemistry, USA

9:30-10:20 [INV02] Training Native Electrophiles

**Yimon Aye**, École Polytechnique Fédérale de Lausanne, Switzerland

10:20-10:50 Refreshment break

10:50-12:30 *Session chair to be announced*

10:50-11:40 [INV03] Control of Chemistry and Biology in Four Dimensions

**Karl Gademann**, University of Zurich, Switzerland

11:40-12:30 [INV04] Nature's Medicine Chest: Opportunities for Synthesis

**Margaret Brimble**, The University of Auckland, New Zealand

12:30-13:30 Lunch

13:30-15:10 *Session chair to be announced*

13:30-14:20 [INV05] Title to be announced

**Lee Cronin**, The University of Glasgow, UK

14:20-15:10 [INV06] Innovation at MSD for the Synthesis of Complex Active Pharmaceutical Ingredients

**Rebecca Ruck**, MSD, Process Research & Development, USA

15:10-15:40 Refreshment break

15:40-16:55 *Session chair to be announced*

15:40-16:05 [O.01] Contributed oral presentation

16:05-16:30 [O.02] Contributed oral presentation

16:30-16:55 [O.03] Contributed oral presentation

16:55-18:30 Refreshment break and Poster Session 1

## Thursday, 20 June 2019

08:30-10:20 *Session chair to be announced*

8:30-9:20 [INV07] Title to be announced

**Angela Russell**, *University of Oxford, UK*

09:20-10:10 [INV08] Pyrrolidinyl Peptide Nucleic Acids: Synthesis, properties and applications

**Tirayut Vilaivan**, *Chulalongkorn University, Thailand*

10:10-10:20 Exhibitors announcements

10:20-10:50 Refreshment break

10:50-12:30 *Session chair to be announced*

10:50-11:40 [INV09] Reprogramming the Reactivity of Iron in Cancer

**Raphael Rodriguez**, *CNRS - INSTITUT CURIE, France*

11:40-12:30 [INV10] Chemical Synthesis of Secondary Metabolites

**Ryan Shenvi**, *The Scripps Research Institute, USA*

12:30-13:30 Lunch

13:30-16:00 *Session chair to be announced*

13:30-14:20 [INV11] Modifications of Nucleic Acids: Identification and Functional Studies

**Xiang Zhou**, *Wuhan University, China*

14:20-14:45 [O.04] Contributed oral presentation

14:45-15:10 [O.05] Contributed oral presentation

15:10-15:35 [O.06] Contributed oral presentation

15:35-16:00 Workshop (Reaxys)

16:00-17:30 Refreshment break and poster session 2

18:45-21:45 Conference dinner

## Friday, 21 June 2019

08:30-10:10 *Session chair to be announced*

08:30-09:20 [INV12] Title to be announced

**Richard Payne**, *The University of Sydney, Australia*

09:20-10:10 [INV13] The RaPID Way to Devise Biologically Active Peptides and Biologics

**Hiroaki Suga**, *The University of Tokyo, Japan*

10:10-10:40 Refreshment break

10:40-12:20 *Session chair to be announced*

10:40-11:30 [INV14] Title to be announced

**Noah Burns**, *Stanford University, USA*

11:30-12:20 [INV15] Turns and Twists Along the Path of Reactivity-Driven Method Development

**Hosea Nelson**, *University of California, Berkeley, USA*

12:20-12:30 Closing remarks
