

UNIVERSITY OF
BATH

Raising the Pure profile through reporting and information reuse

Dace Rozenberga and Katy McKen

Overview

University of Bath and Pure

Reports: what? who?

Research activity report

Reporting module

Communications and training

Lessons learned

University of Bath & Pure

System implemented in 2012

Version 5.8.4

Automated data feeds from:

Human Resources system

Student data system

Finance system

Pure as a platform for other
professional services

Current staff	1429
---------------	------

Current student	1787
-----------------	------

 Research output	50219
---	-------

 Activities 	15376
--	-------

 Projects 	4677
--	------

How we report on Pure information

The Reporting module

Custom built research activity report

Filtered lists within Pure

Lookup of information in Pure

Data processing: Excel, Word mail merge

Who uses Pure information

Senior
management

Library

Research grant
development team

Departments and
research centres

Press & Media
team

Commercialisation
team

Centres for
Doctoral Training

Computing services

Impact team

Academic
promotion board

International
Relations Office

REF team

Individual performance review

Custom built Research Activity Report

Used for academic promotion, probation, appraisal

Rolled out in stages in 2014

Training and communications by HR

Main benefits:

- Up-to-date Pure information

- Unified, shorter forms

Research Activity Report

pure.report

Research Activity Report

[Name & affiliation]

1 Jan 2017 to 28 Sep 2017

A report made in Pure. Prepared by: (Pure@bath.ac.uk), 28/09/17 12:15

1 Research Applications Overview

Application status > Status	Count
Application submitted to funder	6
Application awarded by funder	3

2 Research Applications

Application date	Title	Funder	List of investigators	Role	Total application value	Application status
------------------	-------	--------	-----------------------	------	-------------------------	--------------------

3 Research and Related Projects

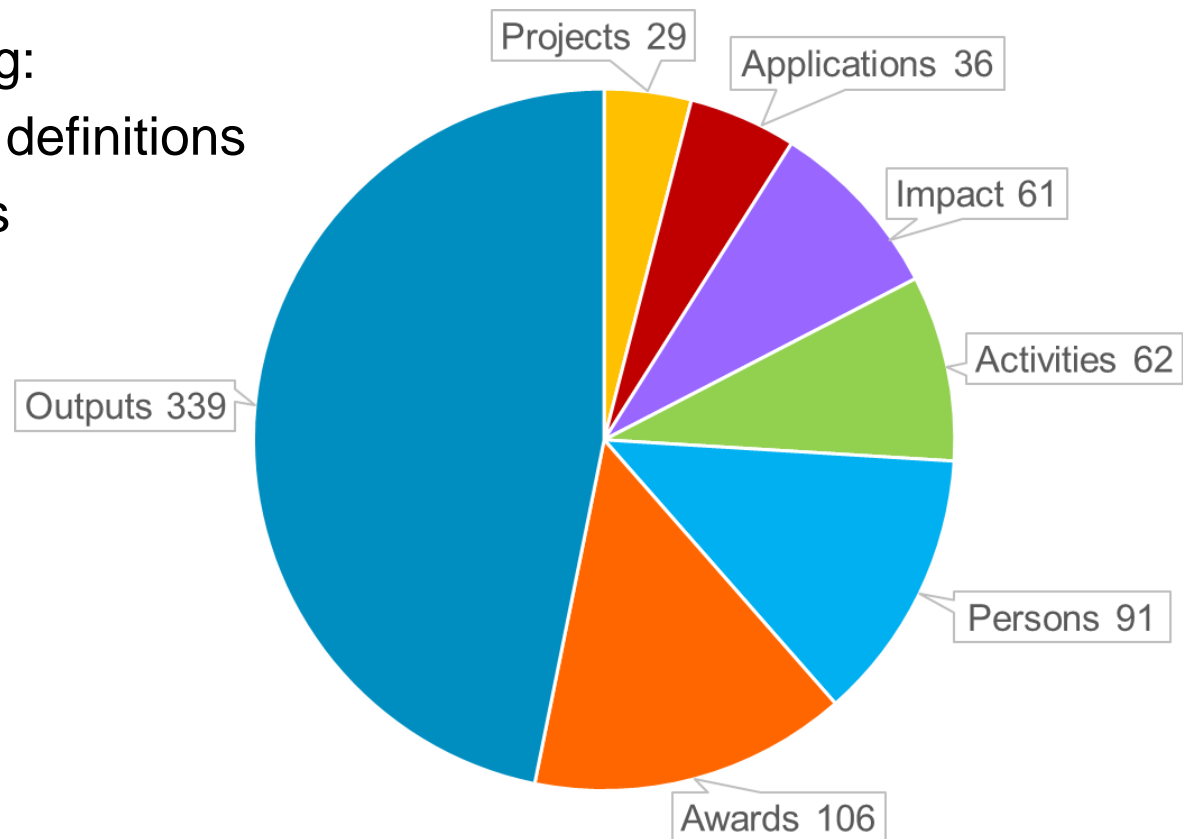

Research or related	Period	Title	Funder	List of investigators	Role	Awarded amount	Funding (non Agresso projects)
---------------------	--------	-------	--------	-----------------------	------	----------------	--------------------------------

Supervision

Use of the Reporting module

677 reports, including:
190 managed report definitions
79 scheduled reports

Report layouts we use

Table

Title	Type	pages	Publication date	Visibility
RAG Test	Article	n/a	1/01/10	Publicly
An experimental and finite element study of the low-cycle fatigue failure of a galvanised steel lighting column	Paper	n/a	1/01/09	Publicly

Listing

1.1. 2009

An experimental and finite element study of the low-cycle fatigue failure of a galvanised steel lighting column

Alexander, L., Taylor, I. & Hood, J. 2009

Research output: Contribution to conference types > Paper

Temperature gradient effects on moisture transport in porous building materials

Basu, P., Galbraith, G., & Kucen, R. 2009 in: Building Services Engineering Research and Technology, 30, 1, p. 37-48, 11 p.

Research output: Contribution to journal > Article

Who creates the reports

Communications and training on reporting

CURRENTLY...

Main messages about Pure and reporting

Enter information once and we won't ask for it again

Pure is not just about REF

Offer help with more than just Pure

Will set up ad-hoc and scheduled reports

Quick to respond

Lessons learned
