  - Developer
Feedback Session
Share your implementation experience.
Feedback Session

1. Do you consider your Implementation project a success
2. Were you informed well enough about the implementation process before purchasing Pure?
3. Did you get the help/guidance you needed for managing the project?
4. Did you get the right support in rolling out Pure to your users?
5. Do you have any advice for the Pure implementation team based on your own experience implementing Pure?

(In a hurry? Answer online later)
Thank you.
Pure Portal

• Examples of Showcasing
• Person Profile Page
• Fingerprinting / Search
AWS Hosting

• How many are hosted in AWS?

• AWS Regions
  - US East
  - EU West 1 (Ireland)
  - Singapore
  - Sydney

• Infrastructure and redundancy

• Testing Environments
