

# Sponsorship and Exhibition Opportunities

## THE CONFERENCE

The International Conference on Energy Research and Social Science is the premier global forum for exploring the nexus of energy and society.

The 2019 conference will highlight the intersection of on-going and future changes in the energy sector and global society. Because energy is intimately woven into every society, alterations in energy systems reverberate throughout economies, cultures, landscapes, and politics. These changes transform human futures, even as social, policy, and market innovation create new pathways for energy technologies and industries. The opportunity to remake energy systems into more environmentally sustainable forms is thus also an opportunity to improve societal wellbeing and justice.

## TOPICS INCLUDE

We invite abstracts that explore the intersection of energy and social change. Illustrative examples of appropriate topics include, but are not limited to:

- Societal drivers, dynamics, and outcomes of energy systems change (including social, economic, cultural, or political aspects)
- Public perspectives on and responses to new energy technologies
- Innovations in energy and electricity markets and policy
- Changing landscapes and geographies of energy production, transport, and consumption
- The social practices of energy use, demand, and behavior
- Historical and social analyses of transitions
- Cities, urban energy systems, and urban form and function
- New models of governance and democracy
- Geopolitics of energy transformations
- The energy-poverty nexus, including questions of ethics, justice, and inequality in energy systems change
- Energy innovation and sustainable development
- Enduring and changing relationships of energy, gender, and race

**ENERGY AND SOCIETY IN TRANSITION**  
**2nd International Conference on**  
**Energy Research and Social Science**

**28-31 May 2019**  
**Arizona State University**  
**Tempe, USA**

**INFORMATION**

**RAISE YOUR PROFILE**

Elsevier's extensive global network of physical and social scientists in academia, business and government is being targeted to generate a highly qualified audience from the scientific community.

The **2nd International Conference on Energy Research & Social Science** will bring together leaders from industry and academia to exchange and share their experiences, present research results, explore collaborations and to spark new ideas, with the aim of developing new projects and exploiting new technology.

**USE YOUR PRESENCE AT THE 2ND INTERNATIONAL ON ENERGY RESEARCH & SOCIAL SCIENCE TO:**

- launch new products and highlight existing ones
- spotlight key executives
- elevate your company profile in the scientific community
- network with specialists, seek international partners and form new alliances
- increase visibility in focused markets
- give maximum exposure for your company and increase brand awareness
- position your organization
- communicate your message to a highly qualified scientific community
- build relationships for the future
- attract new talent and strengthen partnerships
- generate sales leads and educate the market

| SPONSORED WEBINAR           | <p><b>CONTACT US</b></p> <p>Elsevier webinars are live multimedia presentations that allow a presenter to truly engage and interact with a large scientific audience online. This an excellent opportunity to sponsor free access to a live or recorded webinar on a topic directly related to the meeting and benefit from marketing exposure before and during the event. This sponsorship will give you the possibility to:</p> <ul style="list-style-type: none"> <li>■ Create your own custom environment and exclusive audience participation</li> <li>■ Target registered delegates and many other professionals aligned with your business</li> <li>■ Create complimentary coverage of a key topic that fits with your product or market objectives</li> <li>■ Create maximum impact and increase your profile immediately before or after the event.</li> </ul> <p>The webinar would be hosted on the conference website and would remain there until the end of meeting for anyone to download. The package includes marketing, traffic and campaign management as well as 1 free delegate place.</p>                                                                                                                                             |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                             |
| SPONSORED ONLINE CONFERENCE | <p><b>CONTACT US</b></p> <p>Elsevier has developed an online conference offering, allowing delegates from all over the world to access free of charge presentations online. #### TERMS AND CONDITIONS OF BOOKING:

- Acceptance of applications for table-top exhibits or sponsorship is at the discretion of the organisers.
- Cancellations: If you find it necessary to cancel your exhibition or sponsorship package, please fax the conference department immediately on +44 (0) 1865 843958. Cancellation more than 91 days prior to the first open day of the conference – 50% of the total charge as a cancellation penalty provided that written notice is received. Cancellation 91 days or less prior to the first open day of the conference – 100% of the total charge as a cancellation penalty.
- Payment must be made in advance of the conference and is non-refundable according to the above cancellation terms.
- You will be provided with confirmation of your booking, along with full details of shipping co-ordinates and relevant shipping deadlines.
- A reduction in Stand space shall be treated as a pro rata cancellation. A signed order of a Stand implies participation by the Exhibitor for the whole of the time when the hall is open to the Visitors. In the event of cancellation by the Exhibitor or failure to exhibit the Stand charges shall be paid in full to the Organiser. Cancellation charges will be applied as indicated above and the parties hereby agree that these constitute a genuine and reasonable estimate of the loss which the Organiser would incur on cancellation of the order by the Exhibitor.
- The exhibition stand contract constitutes a license to exhibit and not a tenancy. The Organiser reserves the right at any time and from time to time to make such alterations in the ground plan of the Exhibition as may in their opinion be necessary in the best interests of the Exhibition and to alter the shape, size or position allocated to the Exhibitor. No alterations to the space allotted will be made in such a way as to impose on the Exhibitor any greater liability for rental than that undertaken in the exhibition stand contract.
- The Exhibitor or Sponsor shall not be entitled to withhold payment of any amounts payable to the Organiser in relation to the exhibition or sponsorship package by reason of any dispute or claim by the Exhibitor or Sponsor in connection with the exhibition/sponsorship package or otherwise nor shall the Exhibitor or Sponsor be entitled to set off any amount which it is alleged is payable or due from the Organiser against any amount payable to the Organiser in relation to the exhibition or sponsorship package.
- Exhibitors are responsible for their own insurance for the event. A copy of your public liability insurance certificate (providing cover of US\$3,000,000) is required prior to the event.
- Price for up to 2 colour printing within logos
