

Genomics, Proteomics & Bioinformatics

AUTHORSHIP CHANGE AGREEMENT

For all submissions to Genomics, Proteomics and Bioinformatics (GPB), request of authorship change during review process should be made to the Editorial Office of GPB. The form below should be completed for any authorship changes including adding new authors, removing existing authors, reordering existing authors, or adjusting equal contributor status of existing authors. Corresponding author should confirm that all authors meet the criteria for authorship as outlined by Committee on Publication Ethics (COPE) and that all authors agree to the change. All authors who have been added, removed, or reordered need to confirm that they agree to the change by signing the form. Please fill and return this form in time. The concerned submission will be put on hold for further processing until the editorial office receives the completed form.
