HARMFUL ALGAE

AUTHOR DECLARATION

Submission of an article implies that the work described has not been published previously (except in the form of an abstract or as part of a published lecture or academic thesis), that it is not under consideration for publication elsewhere, that its publication is approved by all authors and tacitly or explicitly by the responsible authorities where the work was carried out, and that, if accepted, it will not be published elsewhere in the same form, in English or in any other language, without the written consent of the copyright-holder.

By attaching this Declaration to the submission, the corresponding author certifies that:

- The manuscript represents original and valid work and that neither this manuscript nor one with substantially similar content under the same authorship has been published or is being considered for publication elsewhere.

- Every author has agreed to allow the corresponding author to serve as the primary correspondent with the editorial office, and to review the edited typescript and proof.

- Each author has given final approval of the submitted manuscript and order of authors. Any subsequent change to authorship will be approved by all authors.

- Each author has participated sufficiently in the work to take public responsibility for all the content.
