Title of Paper:

Declarations

The following additional information is required for submission. Please note that failure to respond to these questions/statements will mean your submission will be returned to you. If you have nothing to declare in any of these categories then this should be stated.

Please state any conflict of interests. A conflict of interest exists when an author or the author's institution has financial or personal relationships with other people or organisations that inappropriately influence (bias) his or her actions. Financial relationships are easily identifiable, but conflicts can also occur because of personal relationships, academic competition, or intellectual passion. A conflict can be actual or potential, and full disclosure to The Editor is the safest course.

Competing Interests

Please state any sources of funding for your research

DOES YOUR STUDY INVOLVE HUMAN OR ANIMALSUBJECTS? Please cross out whichever is not applicable

YES

NO

If your study involves human or animal subjects or records of human patients you **MUST** have obtained ethical approval. Ethics approval or exemption are required for retrospective studies on patients' records
