Each author must complete and sign this form. Upload a scan of this completed form for all authors to the journal website during initial submission. Do not mail, fax, or email this form.

Materials published in the *Journal of Manipulative and Physiological Therapeutics* in print (ISSN 0161-4754) and online (ISSN 1532-6586) are covered by copyright. All rights are reserved under United States and international copyright and other laws and conventions.

Each author must read and sign for the statements: 1) copyright, 2) conflict of interest, 3) permission forms, 4) authorship attribution and contribution, and 5) funding statement.

1. **Assignment of Copyright** - I transfer all copyright ownership including all rights and incidental thereto, exclusively to the *JMPT*. I affirm that this submission has not been previously published elsewhere in any medium; the content has not been submitted for publication elsewhere in any form, and is not subject to copyright or any other rights except my own to be transferred to the *JMPT*.

2. **Conflict of Interest** - I confirm that all financial and other forms of conflicts of interest in connection with this manuscript have been clearly disclosed in the cover letter and the conflict of interest form.

3. **Permission forms** - I am submitting all permissions at the time of initial manuscript submission. Permissions are required for: reprint of any copyrighted material, publication of a name in acknowledgements, publication of model likeness, patient consent to publish a case report, etc.

4. **Funding Statements** - I confirm that all sources of support are clearly listed in the title page form. Check here if the study directly received NIH or other national funding.

5. **Authorship Attribution and Contribution** - I confirm that I have contributed to the intellectual content of this paper and satisfy requirements as stated at www.icmje.org: 1) I have provided substantial contributions to conception and design, or acquisition of data, or analysis and interpretation of data; 2) I have been involved with drafting the article or revising it critically for important intellectual content; and 3) I have given final approval of the version to be published (I meet conditions 1, 2, and 3). If requested, I will provide data on which the manuscript is based to the editor. I agree to allow the corresponding author to make decisions about this paper on my behalf.

**Check all that apply.** I have contributed in the following areas:

- Concept development (provided idea for the research or article, created the hypothesis)
- Design (planned the methods to generate the results)
- Supervision (provided oversight, responsible for organization and implementation, writing of the manuscript)
- Data collection/processing (responsible for experiments, patient management, organization, or reporting data)
- Analysis/interpretation (responsible for statistical analysis, evaluation, and presentation of the results)
- Literature search (performed the literature search and retrieve of articles)
- Writing (responsible for writing a substantive part of the manuscript)
- Critical review (revised manuscript for intellectual content, this does not relate to spelling and grammar checking)
- Other (list other specific novel contributions) _________________________________________

By signing, I confirm that I have read and complied with the instructions for authors (www.jmptonline.org) and with all the above sections of this agreement.
