The Journal of Urology® Author Submission Requirement Form

TITLE: __________________________

Authors: __________________________

Each author must read and sign (electronic signatures are acceptable) the statements below before manuscripts will be considered for publication in The Journal of Urology®. Manuscripts submitted without all signatures on all statements will be returned immediately to the authors. This form is available online at www.editorialmanager.com/ju. One author should be designated as the correspondent, and the complete address, telephone number, facsimile number and e-mail address provided.

Authorship credit should be based on 1) substantial contributions to conception and design, acquisition of data or analysis and interpretation of data; 2) drafting the article or revising it critically for important intellectual content; AND 3) final approval of the version to be published.

When a large, multicenter group or committee has conducted the work, the group should identify as authors only those individuals who fulfill the above requirements and accept direct responsibility for the manuscript. The corresponding author must clearly indicate the preferred citation and identify all individual authors as well as the group name. Members of the group who are not designated as authors by the corresponding author will be listed in the Acknowledgments at the end of the manuscript.

I. Authorship Responsibility, Criteria and Contributions

A. By checking the appropriate boxes below, each author certifies that:

☐ the manuscript represents valid and original work;
☐ the manuscript or portions thereof are not under consideration by another journal or electronic publication and have not been previously published except as an abstract;
☐ the manuscript or portions thereof have not been considered previously by The Journal of Urology and/or its supplements (including joint supplements);
☐ if requested I will provide raw data on which the manuscript is based for examination by the editors and reviewers;
☐ if I am the corresponding author I agree to be responsible for indicating the source of extra-institutional funding, in particular that provided by commercial sources, internal review board approval of study, accuracy of the references and all statements made in the work, including changes made by the copy editor, upon review of the proof; or if I am not the corresponding author I agree to assign the aforementioned responsibilities to the corresponding author;
☐ I have read and approve the final manuscript; and
☐ I have made a substantive contribution to the information or material submitted for publication to take public responsibility

B. To qualify for authorship each author must indicate his/her substantive contribution to the intellectual content of the manuscript by checking a minimum of 1 box for each of the following 3 categories of contributions
