

Research Funding Support Conflict of Interest Disclosures Authorship Agreement

Instructions:

Each author must complete and sign this form. Completed forms must be included with your manuscript **at the time of submission**. If your manuscript has more than 3 authors, please download additional author disclosures at <http://www.cancerjournal.org/authorinfo>.

Manuscript Title:

Research Funding/Support

REQUIRED. Please confirm the following statement by checking the box.

- I certify that any/all financial and material support for this research and work are clearly identified in the Acknowledgments section of this manuscript.

Conflict of Interest

*Authors are responsible for recognizing and disclosing any conflict of interest, or potential conflict of interest, that may bias their work, or could be perceived to bias their work, and acknowledge all financial support and any other personal connections. **Cancer Genetics** adheres to [ICMJE](#) guidelines, including those on [Conflict of Interest](#) and [Authorship](#). Please indicate any activities that apply to the **past five years and foreseeable future**.*

REQUIRED. Please select **ONLY ONE** of the following statements:

- I have no relevant financial interests in this manuscript.
- I certify that any and all of my affiliations with, or financial involvement with, any organization or entity with a financial interest in or financial conflict with the subject matter or materials discussed in the manuscript are **DISCLOSED BELOW and IN THE MANUSCRIPT**. Such conflicts would include, without limitation, employment, grants/research support, expert testimony, consultancy, stock holding, an honorarium, membership, or other financial and/or materials support.

DISCLOSURES:

Authorship

REQUIRED. Please confirm the following statement by checking the box.

- In accordance with the Authorship and Contributorship policy at www.icmje.org, I certify that I have:
- 1) made substantial contributions to conception and design, or acquisition of data, or analysis and interpretation of data;
 - 2) drafted the article or revised it critically for important intellectual content; and
 - 3) give final approval of the submitted manuscript, revised versions, and version to be published.

I acknowledge that a manuscript, article, or other work I authored is being considered for publication by **Cancer Genetics** and that I have a duty to disclose with the submission any conflict or duality of interest that exists, or might be perceived to exist, as affecting my objectivity and credibility or as creating an appearance of external influence.
