Our honourable, beloved, and deeply respected
President of the International Organization of Psychophysiology
Associated with the United Nations (New York)

Professor CONSTANTINE A. MANGINA

passed away on OCTOBER 30, 2009.

Founder of the International Organization of Psychophysiology
Recipient of the Purkinje Gold Medal Prize
Recipient of the Peace Messenger Prize from the United Nations
Recipient of the Gold Laurel Prize for his contribution to Science and World Peace
from the Hellenic Association of Psychophysiology

On behalf of the International Organization of Psychophysiology (I.O.P.), Associated
with the United Nations (New York), and the Editorial Board of the International
Journal of Psychophysiology, our profound and warm condolences to Dr. Helen
Beuzeron-Mangina, and to all members of IOP around the World.

His Legacy for the
Unity of World Psychophysiology
Remains Forever

Prof. Giuseppe Chiarenza
Vice President (External Affairs) and friend
November 12, 2009
