understand that we are solely responsible for the accuracy and completeness of the references and for correct in-text citation.

We therefore certify that the references in the above-named manuscript adhere to the format as detailed in Section 9.6 of the latest version of the *PEDN's* Instructions to Authors at <http://www.pediatr-neonatology.com/authorinfo>.

We also confirm that we understand and agree that if a significant number of corrections to the references are found to be necessary at any stage in the processing of our manuscript, *PEDN* Editors reserve the right to immediately reject the manuscript. We understand and agree that this is the case even if our manuscript has been accepted for publication, i.e., that *PEDN* Editors reserve the right to rescind their accept decision if the references are found not to adhere to the *PEDN's* Instructions to Authors. We understand that if there are additional pages after publication, then we are required to pay the extra page fee of US\$250 (NT\$6500) per page.

We also understand that authors are charged US\$250 (NT\$6500) per page that has color figures or tables. The figures/tables in our manuscript that should be reproduced in color (and for which we will pay the color fee) are listed below\*:

( ) Color: figure no(s). \_\_\_\_\_, table no(s). \_\_\_\_\_; total of \_\_\_\_\_ figures/tables in color

( ) Grayscale: all figures/tables should be reproduced in grayscale (free of charge)

*\*Please tick "Color" or "Grayscale" as appropriate. If you tick "Color", please also clearly list the figure/table numbers that should be reproduced in color, otherwise all figures/tables will be reproduced in grayscale as default.*

This statement is signed by \_\_\_\_\_ (please type name), the **corresponding author** of the above-named manuscript, on behalf of all the authors listed in the manuscript, to indicate agreement that the above statement has been read, understood and is true, and that all the information provided is accurate.
